

The NYS Forum

Welcome

Agenda

- Background on The NYS Forum
- Presentations from Workgroups on their preliminary plans
- Breakout into groups to determine your areas of interest
- Development of next steps

What The NYS Forum is Not

- *NOT* a Lobbying Group
- *NOT* Corporate / Priority Driven
- *NOT* an Annual Conference or other Revenue-Seeking Event
- *NOT* trying to Influence Government Procurement Decisions

What is The NYS Forum?

A unique collaborative of public and private sector leaders and information technology professionals who collaborate in a fully neutral environment to:

- **Share** knowledge and ideas that foster mutual understandings.
- **Facilitate** public sector progress.
- **Provide** insight into what government can be for those it serves.

Our Mission

To enhance New York's public sector information technology (IT) practices through collaboration and knowledge transfer with the New York IT business and government communities. To be the first choice for IT practitioners, managers and customers to collaborate and share knowledge to improve the delivery of services to New Yorkers.

What is The NYS Forum?

- A Not For Profit Incorporated to Serve the Needs of Government
- Government / Priority Driven
- “Boots on the Ground” Support for Government
- Enterprise-Learning Focused
- A True Public / Private Partnership where Corporate Partners Leave their Business Cards at the Door
- A Neutral Venue that Brings all New York Institutions Together
- A Communication Vehicle for Government Staff

Alignment of Executive Priorities

- Workgroups around Staff Development
- Project Management and Business Analysis
- Service Management
- Emerging Technologies
- Best Practices
- Community of Practices around Applications
- Development of Future Resource Needs

Alignment of Executive Priorities

- *Foster* an Environment where IT Executives can Learn what is Happening Outside New York
- *Create* a 'Safe' Environment for Collaborative and Enhanced Decision-Making
- *Ensure* Consistent Communication and Training and Professional Development on Executive Initiatives
- *Ensure* a Venue for Problem Solving

Support for Staff

- Formal Training from Corporate Volunteer Subject Matter Experts
- Informal Networking Opportunities across Agency Boundaries
- Continuing Certification Credits
- Support in Talent Development

Value-added Benefits

- The NYS Forum can *Provide the Training Venue for Staff* allowing the Leaders of the Major IT Initiatives to Focus on Implementation
- The IT Executives can *Engage the Corporate Partners before costly RFIs or RFPs are developed* (roundtable discussions around best practices in the industry)
- The NYS Forum can Serve as the *Vehicle to Communicate* the Executive's Information to both the Public as well as Corporate Partners

Value-added Benefits - *more*

- The NYS Forum can *Provide an Environment* for the Executive to *Receive Constructive Employee Feedback*
- Coordinated enterprise learning is much more *Cost Effective* than Agency-by-Agency Training
- The NYS Forum Website and Listserv can *Ensure Consistent Communication* for both Government and Corporate Partners
- Government does not have to bear all the costs as the *Corporate Partners help Fund* (share) the Costs Through their Memberships

The NYS Forum is comprised of thematic Workgroups made up of both public and private sector professionals.

- Workgroups provide information sharing through meetings and training events. A number of Workgroups have Communities of Practice around aspects of particular interest to the profession.
- Workgroups have an Executive Sponsor who shares their organizational and business priorities.
- Workgroups are lead by Co-Chairs from government and private sector membership.
